

## Indoor Herb Gardens

There is nothing better than using fresh herbs in your cooking. Creating an indoor herb garden in a kitchen window makes it simple to enjoy herbs year round.

Whether you enjoy fresh salsa or Italian spices, Country Fair Garden Center has a great selection of herbs for you to choose from. Let us help you create the perfect mix for your favorite recipes.

### *Tips for a successful Indoor Herb Garden...*

1. Don't over crowd your container! Leave growing room for your herbs.
2. Use a rich fortified potting soil such as *Fertilome Ultimate Potting Soil*
3. Make sure your container has a good source of light. Place your container near a window that gets great sunlight or get an indoor grow light.
4. Water your plants, but let the soil dry a little between watering.
5. Fertilize once per month with an organic fertilizer. We carry many great brands of organic fertilizers, such as, *Fox Farms*, *Old Age Organics* and *Grow More* which has a fertilizer specifically formulated for Herb Gardens.
6. If your herbs start to flower, pick off the flowers.
7. Cut the herbs as you need them and enjoy!

Visit Country Fair Garden Center to find a great assortment of herbs for your indoor garden, our friendly associates will be happy to help you select a container that will work for your kitchen space. Create a delicious indoor herb garden with a variety your whole family will enjoy!
